Dear Chair Forese and Commissioners,

Small business owners such as myself are asking you to look carefully at the APS rate case before you. What you decide in this case can greatly affect our businesses. As temperatures increase my bill is already increasing and APS wants to add more expenses to my bill. Yet, they have not provided a good justification.

Please, Honorable Commissioners, do not allow APS to unfairly increase my electric bill.

Sincerely, -

Brian W. Romero & Wilder LLC dba Pizza Mia
